This chart is intended to provide a historical overview of the changes in closing values of specific indices from calendar year end to the following calendar year end. It depicts a relative ranking of each index from highest performing to lowest performing based on the change in year end values from one year to the next. The results shown are not reflective of a direct investment in the stock market or any individual stocks, nor should this be viewed as a prediction of future performance or future index credited within any of our Fixed Index Annuity products. This information is provided for general reference purposes and should not be viewed as investment advice. Neither North American, nor any agents acting on its behalf should be viewed as providing legal, tax or investment advice. Always consult with and rely on a qualified advisor when making a purchasing decision.
