### INTEREST RATE

A minimum interest rate of 3% is guaranteed on the accumulation value. An additional 0.50% interest rate bonus will be credited to the policy's unloaned cash accumulation values after the 5th policy year as long as the current interest rate is higher than the guaranteed interest rate of 3%.

### PREMIUMS

The planned premium is flexible and may be changed once during the policy year, beginning in policy year two and thereafter. Additional payments are premiums in addition to the planned premium and may be made by the policyowner at any time. No premium payments will be accepted after Attained Age 100, but the policy will continue to Attained Age 120 with no further monthly deductions.

### DEATH BENEFIT OPTIONS

Two options are available to the policyowner.

**Option 1:** (Level) for the specified amount of insurance

**Option 2:** (Increasing) for the specified amount of insurance plus the accumulation value

The policyowner may change the Death Benefit Option once each year, after the first policy year. The death benefit may be increased with either Option 1 or Option 2 in order to qualify as life insurance in accordance with the Internal Revenue Code of 1986, as amended.

### POLICY MATURITY AGE

Policy maturity age is 120. Upon policy maturity, if the insured is still living, the death benefit will be paid less any unpaid loan amount.

### NO-LAPSE PROTECTION

AccumUL Plus provides two levels of no-lapse protection, which allow the policy to stay in force even if the Surrender Value is not enough to cover the monthly deduction.

#### Short-Term No-Lapse Protection

- Based on payment of Minimum Premiums
- Short-Term No-Lapse Protection Period:
  - Ages 0-60: 10 Years
  - Ages 61-64: To age 70

- The Short-Term No-Lapse Protection can be restored at any time during the Short-Term No-Lapse Protection Period by paying appropriate premiums.

#### Long-Term No-Lapse Protection

- Based on payment of Target Premiums
- Long-Term No-Lapse Protection Period:
  - Ages 0-50: 30 Years

  - Ages 75-85: None

The Long-Term No-Lapse Protection can only be restored within 90 days of losing the No-Lapse Protection (60 days if the policy has entered the Grace Period) by paying appropriate premiums.

No increase will be allowed under this rider if the increase would cause the current specified amount to exceed 200% of the initial specified amount or \$1,000,000 (whichever is less). A change in Specified Amount may result in the loss of the No-Lapse Protection.
